After discussion, he indicated that he was interested in agricultural problems and world hunger. I told him I would send him two "Unclassified" Agency publications dealing with this subject.

STAT

4. (Unclassified - RLB) LIAISON Received a call from Barbara Grabon, in the Congressional Liaison office of the National Security Council. Ms. Grabon inquired as to whether we had any information relating to legislative activities in the last Congress relating to requiring Government officials to justify the classification of information sought by a private citizen. She was also interested in whether there had been legislation introduced last Congress which would protect overhead reconnaissance information. I told her I was unaware of any legislative activity on these matters in the last Congress, but drew her attention to the Freedom of Information Act amendments in 1974 and to the sources and methods bill introduced in the House last year.

5. (Unclassified - YTF) LEGISLATION Accompanied Tony Lapham, General Counsel, and [redacted] OGC, to a meeting with Tom Connaughton, Martha Talley and Mark Gitenstein, all on the staff of the Senate Select Committee on Intelligence. We discussed a proposed bill on electronic surveillance. (See Memorandum for the Record.)

16. [] LIAISON Elliot Maxwell, Senate Select Committee on Intelligence staff, called to say he wanted to set up a meeting for Roger LeMaster, Legislative Aide to Senator Walter Huddleston (D., Ky.), himself and Agency officials to discuss the sources and methods legislation. Senator Huddleston is interested in introducing the bill, but Maxwell feels the definitions section of the bill submitted during the 94th Congress needs to be altered and this subject will be the focus of the meeting. We have tentatively set the meeting for 9:30 a.m. on Tuesday, 8 February.
